Section A: English

The game of football is loved by people of all ages and all over the world. You might not find a single nation on the globe that does not have a passion for the game. On inquiry, people have stated that they have plenty of reasons to love the game, however, the top most one is that it is simple to follow. Another factor in its favour is that you don't need to be young and rich to be able to afford to play this game. It can be played on any kind of playground or wasteland. Also, it requires no special equipment except for a football, of course! In fact, the game of football has changed the way people spend their leisure time. Every game played is covered by the media extensively. More and more countries have begun to invest large sums of money in the game as the returns on investment are fantastic. Consequently, footballers are paid unbelievable sums of money to represent their countries.
