**Instructions :**

1. This Booklet is your **Question Paper**. DO NOT break seal of Booklet until the invigilator instructs to do so.
2. The Answer Sheet is provided to you separately which is a machine readable **Optical Response Sheet (ORS)**. You have to mark your answer in the ORS by darkening bubble, as per your answer choice, by using **Black/Blue** ball point pen only.
3. If you are found involved in cheating or disturbing others then your ORS will be cancelled.
4. Do not put any stain on ORS and hand it over back properly to the invigilator.
5. You can take along the question paper after test over.
