INSTRUCTIONS

- 1. Please write your Roll No. very clearly as provided in your Admit Card. Please see that no block is least unfilled and even zeros appearing in the Roll No. are correctly transferred to the appropriate blocks on the booklet and on the answer sheets.
- 2. For all subsequent purposes your Roll No. shall remain same as provided in the Admit Card.
- 3. There are 90 questions of SAT and all questions carry one mark each.
- 4. Since all the questions are compulsory, do not try to read the whole question paper before beginning to answer it. Begin with the first question and keep on trying one question after another till you finish the part.
- 5. If you do not know the answer to any question, do not spend much time on it and pass on to the next one. Time permitting, you can come back to the question which you have left in the first instance and try these again.
- 6. Since the time allotted to this question paper is very limited, you should make the best use of it by not spending too much time on one question.
- 7. No marks shall be awarded to the question if the candidate has marked more than one answer against the question.
- 8. You have to mark all your responses on a separate response sheet provided with the booklet.
- 9. Immediately on the commencement of examination check that the question booklet does not have any torn or missing pages. If so, get it replaced by a fresh booklet of the same series.
- 10. Use only blue or black ball point pen.
- 11. The Candidates can use blank sheet provided in the question booklet for rough work.
- 12. The Candidates should remain firmly positioned at their seats till the supervisory staff collects all the response sheets from the center and the center in charge makes an announcement to leave.
