3. Read the following passage and answer the questions given below : (5)

Eve teasing or men making fun of young women in public places is one of the most disgraceful aspects of social behaviour. Eve teasing is caused by bad

values influencing the minds of the young people. These values are derived from an unhealthy environment at home or in public places. Vulgar advertisements and movies spoil the social environment further. If the family environment is improved and advertisements and public entertainments become decent then a good influence can be exerted on young minds. Youth will learn moral values and the quality of social behaviour will improve. Eve-teasing will decrease if not disappear completely.

- (a) What is Eve-teasing?
- (b) How does Eve-teasing affect women?
- (c) From where are the bad values derived by the eve-teasers?
- (d) Mention the two factors spoiling the social environment.
- (e) When will Eve-teasing decrease?
